

LOCAL NOTICE TO MARINERS N° 10 – 2026

Dredging Campaign – Sospan Dau – June/July 2026

Mariners are advised that that intermittent Maintenance Dredging Operations will be taking place in the Inner Harbour. The works are set to commence on the 30th June for 48 hours.

The dredging will be carried out by the Boskalis Westminster Trailing Suction Dredger “Sospan Dau”, which will exhibit lights and shapes in accordance with the International Regulations for Preventing Collisions at Sea.

The works involve frequent passages from the Harbour to the Disposal Ground, situated approximately 1 mile south of Newhaven Breakwater Lighthouse, as indicated on nautical charts. These vessels are maintaining a listening watch on VHF channel 12.

The works will be followed by ploughing operations by the vessel Acamar in July.

Masters and others in charge of craft are warned to navigate with caution and pay strict attention to information and directions issued to them by Newhaven Port Control. Call sign **"Newhaven Radio" - VHF Channel 12**. Tel. 01273 612926.
