

LOCAL NOTICE TO MARINERS N° 20 – 2026

Diving at the Newhaven Ferry Berth **12th October 2026 to March 2027**

Mariners are advised that planned underwater diving operations will take place at Newhaven Ferry Berth within the area shown in Figure 1. The works will occur intermittently throughout the ferry berth project, which is scheduled for completion by March 2027.

Diving will be conducted intermittently during daylight hours throughout the project by “MACS Diving” from a mobile pontoon. The safety boat “Issac” and support tug “Thor” will operate near the divers. The Alpha Flag will be prominently displayed whenever diving is in progress.

All vessels wishing to proceed past the Ferry berth should keep as wide a berth as possible and at a slow speed, maintaining a listening watch on VHF Channel 12.

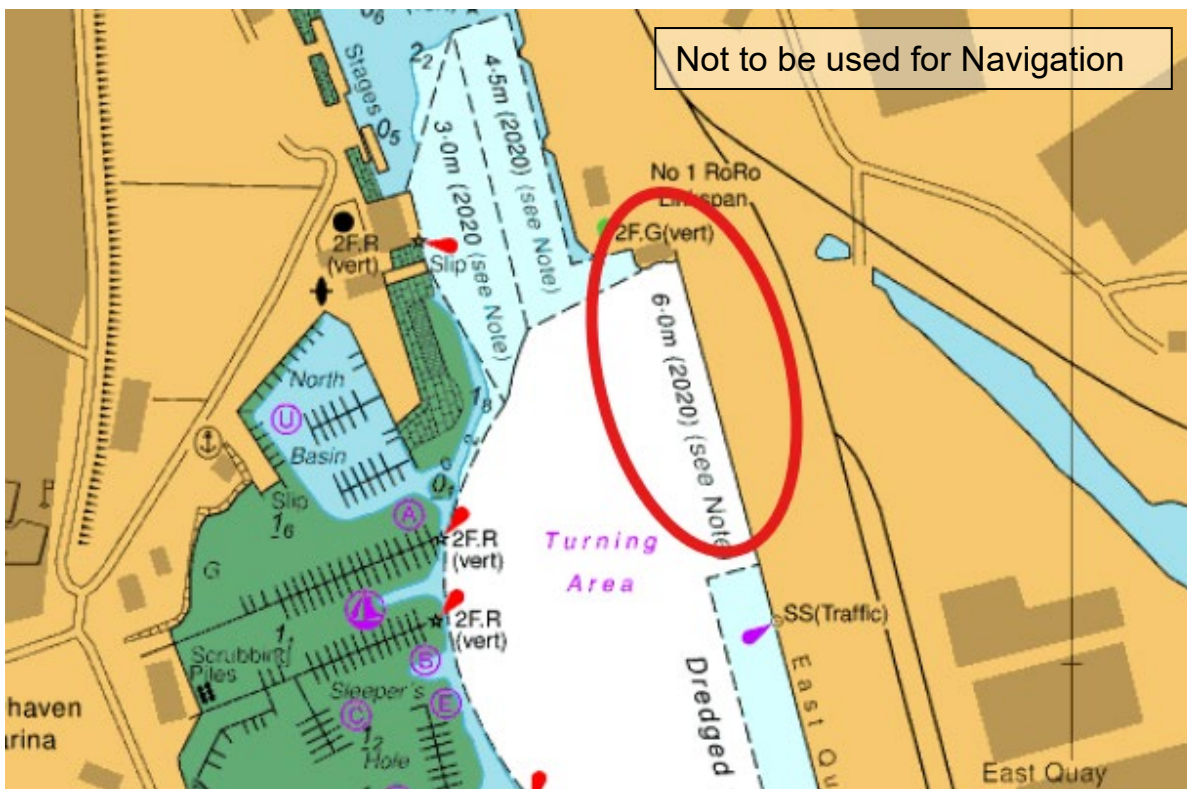

Figure 1 – Chart Extract showing position of the diving activities.

Masters and others in charge of craft are warned to navigate with caution and pay strict attention to information and directions issued to them by Newhaven Port Control. Call sign "**Newhaven Radio**" - **VHF Channel 12**. Tel. 01273 612926.
